EDITORIAL

As an ending to another school year we, the Students of Queen Elizabeth Junior High, present this Book to serve as a life long record of our activities during the year 1943. We sincerely hope that these memories, together with all the lessons we have learned, will never die but serve as a foundation for our future for with such a foundation the world will surely find us prepared to carry on as Citizens of Tomorrow.

And so we introduce to you the Queen Elizabeth Junior High Year Book of 1943. Hope you like it.

F.M.L.

THANKS

Thanks for the grand co-operation kids, for it all helped towards making this Year Book the success it is. Special Honorable Mention to those who wrote up the different articles and biographies, to all the subscribers who have also helped by making the Journal successfull financially, and to the teachers for their splendid co-operation.

My sincere appreciation.

Editor.

FOREWORD

I wish to congratulate the Junior High School pupils on their enterprise in producing "The Year Book". This entails a great amount of work on the part of a few students, so the whole group should be deeply grateful to the few.

Junior High School represents a very important period in school life. The student makes a beginning at working for himself, and learns, or should learn, to feel a certain amount of responsibility for his own progress. It is the stepping stone to the much harder tasks to be performed in the High School. If the student indulges in indolence and indifference in the Junior High School he will certainly have laid a poor foundation for the later years calling for hard study.

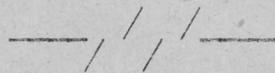

The Junior High School offers many new activities, and each student should make a point of taking a keen interest in some of these - only those for which he feels he has the time - because these activities are in line with those of later life and the experience gained in the school will prove to be very beneficial.

I wish each student all the deserved success he may gain, and hope that the remainder of the school years may be happy ones.

ag Hatchet.

P R E S I D E N T ' S M E S S A G E

As President of the Queen Elizabeth Junior High I wish to extend to the staff and co-workers of the Year Book my heartiest congratulations on the excellent work they have done in assembling and printing this book. It's success could not possibly have been achieved without much hard work. Their example has set a goal for every succeeding Year Book Staff to strive to equal though I doubt if they could excel this fine effort.

Margaret Stewart.

GRADE IX A BIOGRAPHIES

Glenn Anderson - Our bow-tie beauty. Spends most of his time gauking with Paul. A Romeo of the first class.

Betty Grace Aspinall - A quiet girl who likes playing the piano. Lonely since Gladys has left.

Bill Brendzy - Tall, dark and silent. Quite a poet and mathematician (?) eh Bill?

Gerry Brewer - Our feminine artist of the room. Always seems to be the butt of Mr. Hawn's questions. Likes piano playing and athletics.

Leonard Bowerman - Great interest in Sea Cadets. He is a quiet chap when not with Abe.

Ruth Browne - One of the few Y enthusiasts in our school. She seems to find other interests than school and the Y to take up her time.

Ross Browne - Our air-minded Cadet. Takes care of a heart in eight A. Rocks himself to sleep every day in school on the back chair.

Joan Craig - We have to thank Joan for her excellent assistance in this Year Book. Though her studies are up to par we know she has other interests besides school work. How's golfing lately?

Paul Cholakis - The mighty mite??? All 'round athlete whose main sport is squirting water from the fountain on the unfortunates who sit near it.

John Cholakis - Official bell ringer of the Junior High. Makes plans all day to court the Editor but hasn't enough nerve to carry out his ambitions

Evelyn Ducharme - Pals with the other Evelyn. As most of her interests lie out of school we have not yet obtained full information about her private life.

Harold Dromin - The wolf who admires exquisite feminine art. Takes any girl to the show - Dutch Treat! Likes athletics and his penmanship is amazing.

Mary Edwards - Her motto "Laugh and grow fat". Is seldom seen but always heard. Has a good voice.

Roggie "Red" Edwards - A diligent worker (when he feels like it). Main hobby in school is asking questions. Likes a certain lass across the aisle.

Bruce Green - Life is dull since Rags has gone. Likes wood carving and getting lost in the woods.

Edna Hatcher - Her favorite pastime - staying away from school. She still manages to get good marks. No one seems to know her outside interests.

Phyllis Jones - Generally quiet when at school but outside !!! that's a different matter. Chums with Joan and Dot.

Walter Jones - A good Scout (Boy Scout, of course.) Likes Spelling, eh Walter?

Abe Kohnats - 9A's clown. Takes the dullness out of composition periods. A Sea Cadet, but how he ever got in there is beyond us.

Richard Lamb - 9A's muscle man. The only periods he enjoys are French periods (he doesn't take it).

Evelyne Landsley - She and the other Evelyn draw pretty pictures in school all day, much to the advancement of their studies (?)

Irene Lowen - We like your toeless shoes, Irene. What's your favourite toe nail polish? Mrs. Richards is proud of your spelling.

Hazel McBean - Spends most of her time playing nursemaid to children but what happens the other nights, Hazel? Likes Latin and Composition periods

Earl Moen - Nickname "Duck" he suits it too. Another Air Cadet. Likes muttering and sticking his feet out in front of his desk to trip the teachers.

Ray Monteith - Great accordian player. Has lots of fun in school with R. B. and is a great golfer with Jim Murray.

Ralph Pekary - A great sneezer and paper boy. Who did you take to the show in mid-term Ralph? (Could it be our room president?)

Audrey Rowrie - Everyone admires her super clothes. Where do you find all those latest creations? Our Lit night poetitor as well as a very good swimmer and sport.

Mary Putnam - The last of the Putnam clan to pass through Queen Elizabeth. Lots of fun and often seen with Betty and Reita.

Jack Sonnet - An Air Cadet - and how? Plans to join the R. C. A. F. this summer. Good luck, Jack.

Dorothy Spear - Our popular Class President and Junior High Red Cross President. Her eyes are cast approvingly upon the person at the front of her row. Liked by all.

Dick Tuxworth - The brains of the Junior High. We wonder if he teaches Miss. Allan her Algebra. His main interest lies in St. Boniface.

Rita Wilson - A smart lass who likes to read--especially in school. Quiet, but liked by all.

Gladys Wynne - Everyone misses her since she moved to Montreal a short while ago. A good student and very well liked.

GRADE IX B BIOGRAPHIES

Shirley Armstrong- 9 B's prize talker. Shirley always receives the bawling out when she and J.T. are caught talking. Why do you stand for this?

Dorothy Anderson- Dot or Red seems to prefer the Navy. Too bad a certain B.W. went away, but we hear the letters are coming steadily. Airmail at that.

Florence Ball- Floss is receiving phone calls from L.R. a former Q.E.J.H. student. What will be the outcome of this budding romance?

Muriel Benson- Muriel is a new student at our school and has done very well. Her oral speeches are good but some of the words are over our heads----- but look who we are.

Margaret Crowley- Margaret also came to our school this year, much to the disgust of R.L. What's the new attraction in the back corner of the room.

Graham Devenney- Graham is a member of the Air Cadets. We wonder why? Is it because he wants to become a navigator to get around F.L.

Max Filkow- Max has made several trips to Fort Rouge. Is she good looking Max? Be careful or you'll wear out your tires.

Florence Finlay- Heaven knows where her interests lie-----we don't!

Shirley Force- The brains of 9 B. Her attraction centres on a certain J.C. in N.C.I. Shirley is also a faithful member of the Y.

Murray Grey- Murray has been caught several times gazing intently at L.M. This has caused him much embarrassment. Better change your technique.

Martha Isaac- Mort has great opportunities living on Lovers Lane. Aren't the Norwood boys as good as Daniel Mac's?

Barry Kirby- Barry is a faithful member of the Sea Cadets. Although he has left this district he still comes to our school (sometimes). His affections centre in the first row.

Alex La Roque- The little man who isn't here-----half the time. Hope to see you in ten next year, Alex.

Evelyn Leullier- Evelyn sits in the front row right in front of Mr. Hawn's desk. This doesn't give much opportunity for talking but she always manages to put her bit in.

Frances Leitkje- Frances is the editor of our year book. Why don't you give that tall, dark and handsome boy in 9 A a break.

Rey Lindsay - Rey is our chief informer about the activities that are carried on outside of the Junior High. Keep up the good work Rey. We're curious too.

Mary Mudry - Mary is another new student at our school who is always caught crocheting. Whose heart is that you're wearing on your hand Mary? Won't you tell us?

Lorraine Miller - Lorraine is the girl with the wandering heart. Recently it wants to go to St. Vital. What's the new attraction?

Jimmy May - Jim is another air minded lad of 9B. His favorite topic on speech day is "Airplanes". Keep up the good work Jim.

Lucille Miller - Lucille is another student who seems to prefer a district outside of Norwood. We've been told it's her girl friend but we've heard different.

Betty Maloney - Betty is rather studious but she enjoys talking with her fellow inmates. Congratulations Betty on a super year.

Ruth Nelson - Red is a faithful member of the "Y". Whenever there's a racket everyone looks at Ruth. Quiet please students at work.

Ted Ryan - Theodore is quite a lad. He has some homing pigeons but he is never home to look after them. We wonder where he goes?

Ron Sales - Ron is always changing his seat. Every time he moves we know it's a new attraction. Who is it this time Ron?

Shirley Sennett - One of 9B's most industrious workers and talkers. Her private life seems to be a big dark secret but she seems to enjoy herself.

Margaret Stewart - Our JH. president has been seen around Norwood, with B.H. from N.C.I. There also seems to be an attraction in 9B.

Lilian Speed - The tall blonde of 9B. We hear she likes a certain A.M. in the Air Force. Right Lil?

Jim Trimble - The blushing blond president of 9B. Jim's interest is in 10.C.-N.C.I. This is a bit irregular isn't it?

Fortune-Teller: --"Beware, a dark woman is following you."

Ross Browne: -----"Well she'll soon get tired of that. I'm a paper boy."

GRADE EIGHT

Presidents- Clyde McBain and Adam Russell
Secretary Treasurer- Shirley Pritchard and
Norma Legg
Red Cross Presidents- Margaret Bodie and
Juno Dowse.

The student of the two Grade Nights with the co-operation of the teachers have finished a most successful year. Although we are small in number the teachers do not consider us small in the amount of noise made!

Both rooms took a very active part in Red Cross activities throughout the year. The girls knitted while the boys used less energy by just paying their fees.

In the Field Day we were successfully represented by both boys and girls from these two studious rooms. From Eight A. there were three - Juno Dowse, Leonard Dremin and Irvine Jackson while from Eight B Bruce Gordon and Adam Russell strived to gain glory by their efforts.

Don Dunwoody of Eight B was the Literary Convenor for the Junior High and he must be congratulated on the splendid way in which he handled this job even if he was slightly tongue-tied.

We put on a very successful play in the Lit. Night entitled "Sauce for the Gander" in which many of our Grade Nights proved to be very talented.

GRADE SEVEN

Presidents - Marion Spence and Alan Studham
Secretary- Treasurers - Walter Fell and Donald Beasant
Red Cross Presidents - Perle Henderson and Joyce Bowerman

At the first of this year eighty-one Grade Six students passed into Grade Seven to face three years of "Junior High". We certainly have enjoyed our first year and we hope our next two years will be as successful.

Our girls have been knitting steadily and many garments have been made by both girls and boys and the Cadet work was also satisfactory (we think!).

Our Socials have been enjoyed by all and we wish to thank the teachers for their help throughout the year.

The Field Day was attended by many students. We had a few contestants who earned "three" points towards the final mark. Also the Lit. Night was successful and our fellow students helped to give our performers much applause. In closing we wish to say that we have certainly enjoyed ourselves and look forward to our future years with the Junior High.

POETRY

As a result of a contest to choose a winning poem some budding poets were discovered amongst us. First prize was awarded to Betty McVeigh of Grade VII B and second prize to Irene Lowen of Grade IX A.

MY JOURNEY TO CANADA.

We sailed on the ship "Oronsay",
(My sister and brother and I),
We sailed for nine days together
Under an Atlantic sky.

The ship, it rocked and rolled,
Tumbled from windward to lee,
And many a person was seasick,
Including my brother and me.

Not one U-Boat was sighted,
Through all the passage here.
Not one alarm was given
That a Jerry plane was near.

But they always kept a lookout,
And so we did not fear,
We had a safe passage over
And no one shed a tear.

Some days were dark and dreary,
Others were bright and clear,
But we kept on sailing ever
away from the land so dear.

Arriving one day at the harbour
We stepped, the scene was grand,
To find another country,
An entirely new found land.

There were people down below us,
Watching the ships come in,
And they threw to us some coins,
The like, we had never seen.

There was many a scramble,
As a tossed coin landed near,
And many a curious face would
Over a shoulder peer.

We got off the boat about midnight,
And boarded a train with a yell!
Never before had we heard of
A train with a huge churchbell.

We rattled on for three days long
Within the chugging train.
And when we got to Winnipeg
It was pouring rain.

We got on a bus at the station,
And were taken to - we know not where,
But when we arrived at a schoolhouse,
There were straw beds waiting there.

The next day was bright and sunny,
We were taken to another school,
And there we stayed for a week or more
Learning Canadian Rules.

Then one day a family came,
Looked me all over and said:
"We'll take her then, and the little boy too",
My brother, who was still in bed.

So we both, right then, were taken away,
To the first home in which I've been,
To a lovely country house to stay,
Near the prettiest river I've seen.

But then we came to Norwood Grove
To live, and I've stayed three years.
I like it here but I must go
Back home when the war cloud clears.

Home to that dear old land o'mine,
Home across the sea,
I must go back to England,
My dear ones for to see.

Betty McVeigh.

IF YOU CAN - PLEASE DO

If you can smile when you see them go,
If you can write without letting them know
That you are feeling blue - Please do.

If you can help prevent a fire,
If you can spare a rubber tire
And not let it bother you - Please do.

If you can make your old clothes last,
If you can wear the same old hat
Or make it look like new - Please do.

If you can save a wounded lad,
If you can cheer a mom or dad
When they're feeling blue - Please do.

Irene Lowen.

Other entries were submitted by Evelyne Ducharme, Doreen Sales, Billy Brendzy, Richard Lamb and Walter H. Jones. Walter H. Jones' poem was chosen as Honorable Mention.

OUR JOB

Come throw your weight behind our cause,
Let's push together with loud applause.
Buy War Saving Stamps,
Help make us all free!
Buy War Saving Stamps,
So that VICTORY we'll see!

If more of them we do not buy,
Under the Nazis heel we'll be.
Buy War Saving Stamps,
For ships and tanks!
Buy War Saving Stamps,
Show a nation's thanks!

Still let us our three freedoms keep,
We will if everyone digs very deep.
Buy War Saving Stamps,
To clean up this mess!
Buy War Saving Stamps,
To beat Hitler and Hess!

Walter H. Jones.

HOME ECONOMICS

With the holding of two teas the Home Economic's Year was formally closed. It was indeed an enjoyable year for all the girls. Many of us discovered new hidden talents that we never thought we possessed. Thanks to Miss Bucknam we really had fun this year, cooking and sewing besides other attractive courses.

Mr. Hatcher: Order! Boys! Order!

Harold Dremin: Shepherd's Pie, Please..

GLEE CLUB

The Glee Club of Queen Elizabeth School was organized by Mrs. Bartholemew, in October. The girls of Grades 7, 8 and 9 took part in the Club. Later, in February, some of the Grade 6 girls joined. The Glee Club practiced Monday and Tuesday after four. Towards the end of February Miss Tweddell very kindly consented to teach the girls Folk Dancing. They went Tuesday and Friday after four to practice.

On May 18th, the Glee Club had its concert at the Norwood Collegiate. The girls sang with Mrs. Bartholemew conducting and Peggy Heap accompanying at the piano. The Folk Dances were accompanied by Muriel Benson at the piano.

The assisting artists were Mr. W. Davidson Thomson, Baritone, accompanied by Mr. Fred M. Gee, Frances Leitkie, Soloist, and David Adams, Dancer. The concert was most successful and the audience was very appreciative.

The girls of the Glee Club wish to thank Mrs. Bartholimew, Miss Tweddell, Peggy Heap and all those who helped to make this year's Club so successful.

SOCIAL

All the rooms have gone together for parties this year rather than have them individually. The Socials that have been held this year have gone over with a Bang! Everybody seems to have had oodles of fun at the parties thus helping to put them over successfully.

Grade IX's

The first Social of the year was held by the grade Nines to celebrate Hallowe'en.

The party started with a Scavenger Hunt, sending everybody all over Norwood searching for odds and ends. The "Scavengers" then went back to the school for refreshments and music, thus ending a perfect evening.

At Christmas Time the Grade Eights and Nines decided it was time to have a party! A hike was planned and then to return to the school to be served with a delightful lunch and some dancing. Although the boys seemed shy at first the girls started a Conga Line and got them out on the floor. A good time was had by all.

Grade VIII's

This year the Grade Eights really haven't had a party by themselves. They were invited to a Roller Skating party by the Grade Sevens and a hike by the Grade Nines. But it seems that any party we have had that the Grade Eights have come to have been a huge success.

Grade VII's

The Grade Sevens seemed to have been left out of any parties at the first of the year so they decided to have a Roller Skating party. The Grade Eights were invited. The party was held at the Winnipeg Roller Rink and everybody seemed to have an enjoyable time.

Another party was held around Christmas and the Grade Sevens planned a hike. They hiked along the Seine River and then returned to the school for refreshments. That a good time was held was unanimous.

My fellow students and I would like to take this opportunity to thank the teachers and Mr. Hatcher for their co-operation toward the success of our parties.

LITERARY NIGHT

The Queen Elizabeth Junior High held their annual Literary Night on April 21st in the Auditorium of the Norwood Collegiate. Admission tickets were given out to each pupil. In this way the hall was not overcrowded. A silver collection was taken at the door and this added a sum of \$19.30 to the Student Council Treasury.

The girls of Grade IX A showed their ability as actresses in the play "A Society for Doing Good". The parts were taken by Audrey Powrie, Joan Craig, Gladys Wynn and Reita Wilson. This play was much enjoyed by all. A group of girls sang two songs. The boys showed their versatility in their "wonderful symphony orchestra".

The students of Grade IX B put on a one act play called "The Cat's Pic". It was very comical and had the audience well entertained. Our editor Frances Leitke gave a lovely rendition of "As Time Goes By" and "Danny Boy", which delighted the audience very much.

The two Grade VIII's joined together to give the play "Sauce for the Gander". The characters were portrayed by Margaret Bodie, Keith Dangerfield, Donna Mae Hardy, Shirley Pritchard, Grant Beaton and Clyde McBain.

The Grade VII's joined together and gave a very good "Variety Show". Every student with talent added something towards the programme.

The students of Queen Elizabeth would like to thank all those who helped "out front" and "back stage" to make the Literary Night the success it was.

RED CROSS REPORT

The Queen Elizabeth Junior High Red Cross Branch formed in September 1942 is the amalgamation of the class room branches of the Junior High. Each classroom, under the supervision of the class teacher operated as a separate unit for working purposes. The membership fee was 5¢ monthly and each class was responsible for \$1.00 making a total of \$6.00 for membership fees. Each class had its own Red Cross Representative. The total raised by our Junior High from September was ninety-six dollars which we know will go over the hundred mark before the end of June. This was raised by fees, donations, and a Pop Corn Sale. Besides our Red Cross money we also raised money for Milk for Britain which amounted to \$32.89 and Aid to Russia amounting to \$40.34 thus making a total of \$169.23.

These are the Service Articles and Hospital Supplies our Junior High sent in:

| | | |
|--------------------------------------|------------------------------------|---|
| 40 wash cloths | 7 grey aux scrves | r |
| 34 grey aux calcts | 10 V neck khaki sleeveless sweater | |
| 8 navy V neck sleeveless sweaters | 7 khaki helmets | |
| 1 khaki high neck sleeveless sweater | 7 khaki tuck-ins | |
| 10 pair of grey service socks | 8 prs grey aux ankle socks | |

The following is the list of Civilian Relief garments sent to the Red Cross:

| | |
|-----------------------------|----------------------|
| 8 children's sweaters | 6 children's dresses |
| 3 prs of children's panties | 1 pr booties |
| 1 baby jacket and bonnet | |

A few of the articles were donated to our Red Cross. They are:

2 afghans 1 bedjacket 1 baby jacket 1 baby bonnet

Besides these numerous articles there are still between fifty and sixty unfinished garments which we hope to hand in before the end of June.

Hazel McBean: Do you charge batteries?

Dick Lamb: Sure do.

Hazel McBean: Well, put one in my car and charge it to my father.

Silas Clam lies on the floor,
He tried to slam a swinging door.

1941 - What a man!

1942 - What? A man?

1943 - What's a man?

C A D E T S

Major-John Cholakis
Captain-Adam Russell
Lieutenants-Jim Muir, Gordon Down, Dick Lamb,
Ray Monteith
R. S. M. - Walter Jones
Q. S. M. - P. Moscovitch
Sergeants - B. Mills, J. McGowan, Clyde McBain
Ron Sales
Corporals - A. Studham, G. Howden, Bill
Taylor, W. Bissonnette
Lance Corporals- D. Beasant, J. Thexton,
J. Trimble, D. Dunwoody

With the co-operation and efforts of these officers and N.C.O.'s the Queen Elizabeth Cadet Corps has had an excellent year of Cadet training. Mr. Hatcher, Mr. Hawn and the other teachers helped greatly in keeping order and assembling the Cadets at the proper time.

The weather, especially during the winter, was so miserable that Cadet operations were hampered considerably.

Everyone in the Cadet Corps had some shooting at King George School this year and some excellent shots were discovered. Two lads in Grade 9 A shut the wrong eye in aiming and therefore did not qualify for further shooting. The best shots in the Corps are Bill Olmstead, Walter Jones, Bruce Gordon, Bill Brad and Gordon Downs.

The Cadet Inspection was greatly improved over last year's. The Inspecting Officer Captain Cummings congratulated the Cadets afterwards on the splendid showing they had made. The King George and Queen Elizabeth Corps combined to present the Inspection and it was held at Nerwood Ball Park on May 18th, at 2.30 P. M.

We would like to express our gratitude towards the army for supplying us with the most capable Cadet Instructors without whose help we could never have accomplished what we did. The Sergeants were Sergeant LaPlante and Sergeant Poole.

Next year those wishing to may continue their training, but as Air Cadets.

Mr. Hawn: Give me two examples of natural magnets.

Paul Cholakis: Blondes and Brunettes.

Reg. Edwards: Poor Bill! He died the other day from drinking Shellac.

Earl Moon: At least he had a fine finish.

SPORTS REPORT

The students of the Junior High were active in baseball, skiing, snowshoeing, and speed-skating this year. The Grade Nine boys played two games of baseball with Windsor School, St. Vital. After losing the first game with a score 7-4, they practiced hard and what do you think? They lost the second game too, and what a score-16-15.

There were many entries from Queen Elizabeth Junior High in our annual Field Day. This year Norwood and St. Vital combined and our outstanding athletes competed against each other.

Boy's Events;

100 Yards - Primary - (3) Paul Cholakis
 220 " " Senior - (2) John Cholakis
 " " " Intermediate - (3) Bernard Gregoire
 " " " Junior (2) Irvine Jackson
 " " " Primary (3) Max Filkow
 $\frac{1}{2}$ Mile - Senior - (1) John Cholakis
 (2) Bruce Gordon
 Broad Jump - Primary - (2) Leonard Dremin
 Mile - Senior - (2) Bruce Gordon

Girls' Events:

60 Yards "B" - Lucille Mercer

GOSSIP

9A.
